

WELCOME

The «Alte Taverne» was built in the early 1960-ies from different "Simmentaler" farm houses.

We are very proud to be your host today, in our restaurant full of magic stories.

In the menu you`ll find selected meat specialities, carefully prepared on the charcoal grill.

Appetizers, desserts as well as a selection of fine wines, make your visit an unforgettable experience.

Imer Bajrami, chef Pedro Carneiro and the Taverne-Team
